6. Most do EKG or opt-out form (Nicklaus Children or Jackson to get free)

**Two documents are required for EKG clearance:**

**M-DCPS Cardiology Report** (mandatory for all students).

**ECG-EKG Screening ABNORMAL Document** (required only if results are abnormal).

The intent is clear: No student will be deemed eligible for athletic participation without proper medical clearance. The AD is not responsible for interpreting results; their role is solely to ensure that clearance documentation is on file.

**ECG/EKG Opt-Out Form**

Recognizing the rights of parents/guardians, this Opt-Out Form provides families the opportunity to formally decline participation in the EKG screening program. Please note:

Parents who elect this option must complete and sign the attached form.

This form will be kept as part of the student's eligibility file, serving as proof and documentation of the family's decision to opt out.
